SCHOOLS

RANKING OF INDIA'S TOP 100 ENGINEERING COLLEGES

DQ-CMR SURVEY

How We Ranked the T-Schools

The methodology of the Dataquest-CMR "Best Tech School Survey 2018"

BACKGROUND

Dataquest compiled the Thirteenth Dataquest-CMR survey scorecard on the best T-Schools in the country on the basis of a methodology and calculations vetted by research firm CMR.

RESEARCH OBJECTIVE

The aim of this survey was to determine the top Technology Schools (B.E, B. Tech or similar level graduate technical course) in the country and rank them on a list of important parameters.

RESEARCH METHODOLOGY

he Dataquest-CMR survey was done in two phases.

PHASE I – DESK RESEARCH

In this phase, the CMR team did an exhaustive desk research so as to identify the list of all Tech Schools in the country, who were invited to be a part of the survey. Lists of Govt. institutes and private institutes were prepared separately. The colleges established post 2011 or not offering a B.E, B. Tech or similar level graduate technical courses were removed from the list.

PHASE II – PRIMARY RESEARCH

The Tech Schools short-listed in Phase 1 were approached by CMR team. For the Tech Schools both email responses and face-to-face interviews with the college representative (preferably the placement

coordinator) were considered. The information collected was on four broad heads: placement, academic environment, infrastructure and industry interface. These broad parameters constituted various sub-parameters as mentioned below.

PLACEMENT

- % of students got placed
- Number of companies visiting
- Maximum Salary
- Average Salary All Companies

ACADEMIC ENVIRONMENT

- Number of students in B.E/B.Tech adding all years
- Number of specializations offered
- Total number of students in M.Tech / M. S / M. Phil in engineering
- Total number of PhD. Students / Doctorates
- Total number of faculty
- % of Permanent faculty
- Faculty Qualification Index
- Faculty Experience Index
- Number of books published
- Number of research publications
- Number of patents / copyrights
- NBA Accreditation
- NAAC Accreditation

INFRASTRUCTURE

- Campus area in acres
- Number of books in library
- Number of books added in last 3 years
- Number of national / international journals in library
- Number of journals added in last 3 years
- Number of classroom
- Is the campus Wi-Fi Enabled
- % of students accommodated in hostel
- Number of faculty cabin
- Number of auditoriums
- Number of systems provided

INDUSTRY INTERFACE

- Number of MoU with industry e.g. CISCO / Microsoft / IBM
- Incubation center

- Number of startups that originated from the incubation centre
- Have a lab which is sponsored by industry

THE RANKING

The ranking of the institutes were done separately for Govt. and Private.

Score: It was derived by calculating weighted average of scores on following broad parameters.

Parameters	Weights in %
Placement	40
Academic Environment	30
Infrastructure	15
Industry Interface	15

The weights were pre-determined by CMR based on the experience of conducting such study for last 13 years.

ANALYSIS METHODOLOGY

All the absolute data collected under each module were normalized and converted to relative data to evaluate the relative distance among the institutes across different parameters. After normalization, the data had been multiplied with respective weights of each parameter and then the total objective score was calculated for each module. The whole data was then arranged in descending order in Govt. and Private category. And finally we got the top institutes across India in both Govt. and Private category.

VALIDATION PROCESS

CMR research team did all the data validation exercise. We had asked for few documents from the institutes like list of companies visited in the campus, number of students recruited by each one of them and the salary offered to the students, placement brochure, institute prospectus, companies for whom consulting / industrial assignment has been done, name of journal where research paper has been published and official copy of semester results. Apart from these we had also validated the data from secondary sources like Institute's website.

Bannari Amman Institute of Technology

n impressive performance as compared to the last year, Bannari's strong point in FY 18 was the placement parameter, which went up to #2 from #8 the previous year. Information available suggests that of the 1,347 students placed in FY 18,775 were absorbed in the core industries, while 494 and 78 students were placed in IT Services and Product categories. Information available suggests that it has achieved 100% placement consecutively for the last 3 years. What is impressive is that almost 42.5% of the students were placed in the ICT sector. If one looks at the other parameter rankings. Bannari was able to secure tops slots in academic as well as industry interface- this had clearly acted as a springboard to higher placements and upped the overall performance scores of the institute during FY 2018. The institute has CoE collaborations with various industry leaders and per se in the ICT space, it has collaborations with leading players like Intel, Freescale, Cisco, Juniper among others.

B.S. Abdur Rahman Crescent Institute of Science and Technology

nfrastructure transpired into a strong point for this institution, which climbed up impressively to #2 position in 2018 as compared to its # 13 position in 2017. While the institute secured #9 and # 8 position in industry interface and placement parameters, academic and infrastructure contributed to the betterment of the overall rankings in 2018.

Going by the survey results, if one were to do a SWOT analysis, the institution needs to leverage its academic and infrastructure capabilities to forge deeper ties with the industry leading to overall tweak in its industry interface parameters. This will also have a positive bearing on its overall placement records as well.

The courses delivered are structured around 11 Schools of study. The university spans 50.50 acres of sprawling, serene and evergreen campus. The vast campus has well-planned network comprising blocks of various departments, reading halls, classrooms, laboratories, state of the art convention center, computerized library and several playgrounds.

Bharati Vidyapeeth Deemed University (BVDU) College of Engineering

B VDU College of Engineering was established by Dr. Patangrao Kadam in 1983. The College is a constituent unit of Bharati Vidyapeeth (Deemed to be University). Which has been Accredited to A+ grade in its third Cycle by 'NAAC' in 2017 (BVDU accredited to Grade 'A' in 2004 and 2011). Looking at the rankings, this institution is a consistent performer. While the overall rankings remained unchanged, the one notable performance metric this time is the institute taking a pole position in terms of placements. Looking at other parameters, there is scope for improvement in terms of infrastructure and industry interface.

Bharati Vidyapeeth University intends to bring about social empowerment through dynamic education. It has been able to stand tall in the field of education in the past as well as in the modern times. In order to strengthen and expand the research activities in the institute, R&D cell was established and is functioning in this Institution from last several years. It is acting as the nodal center for all Research related activities.

Sathyabama Institute of Science and Technology

athyabama's ranking remained unchanged as compared the last year. At #4, academic, industry interface and infrastructure took the top scores. It offers around 27 programmes at UG level and 41 programmes at PG level. The Centre for Research at Sathyabama Institute of Science and Technology (Deemed to be University) offers Ph.D. Programme (Internal / External). Research is offered in multi-various branches of Engineering, Technology and in Science and Humanities. This center provides research opportunities to the aspiring candidates serving in Educational Institutions / Industries / Research Organizations / Research Laboratories and Government Departments. Centre for Research encourages the scholars to have collaborative projects with the University. It is offering admission twice a year. This center functions with full commitment towards Research and Development of societal importance with the enthusiasm to serve the community.

C.V. Raman College of Engineering, Bhubaneswar

new entrant into the T-School survey, C.V. Raman College of Engineering calls itself as a progressive institution in Orissa. It is one of the leading institutions in the region driving high standards of technical education in the state. The institute topped in infrastructure and just managed to get into top 10 in the academic parameter.

With an intent of molding a new breed of technocrats leaning on both domestic and global best practices, the college aims at educating the students to become not only competent professionals but also excellent human beings who would contribute towards the welfare of the society and help in raising the quality of life of its people

The institute has put in place strategic Centers of Excellence (CoE) across Chemical Engineering. Computer Science Engineering, Electronics and Telecom Engineering, Infrastructure Technology Engineering, Marine Engineering & Nautical Sciences and Mechanical engineering.

Chaitanya Bharathi Institute of Technology

new entrant, industry interface transpired as the institution's high point. Chaitanya Bharathi Institute of Technology is one of the leading private engineering colleges in Telangana. Interestingly the institution has been accredited five times in 1998, 2004, 2008, 2013 and 2017 by NBA(AICTE) and accredited second time by NAAC(UGC) 'A' Grade in 2017.

Yet another trivia about the institute is that is also the first ISO 9001-2015 certified Engineering Institute of AP & Telangana. The total constructed area is 57,714 Sq.mts (6,21,286 Sq.ft). worth about Rs 75.00 crores spread on 50.8 acres. The grants received from AICTE, UGC, DST, NSTL, DRDO and other Industries are worth about Rs. 16 crores. The college offers 9 UG and 11 PG programmes. Information available suggests that the pass percentage is consistent with 95% on an average.

Maharaja Surajmal Institute of Technology

t rank #7, Maharaja Surajmal climbed up impressively from previous year's 27th positionwhat contributed to this escalation related to two parameters- placement and academic. A campus spread across 8 acres, has ramped up its infrastructure significantly. This is a AICTE approved Institute under GGSIP University located in the Institutional area of Janakpuri, New Delhi. The institute runs in two shifts -First/Morning shift and Second/Evening shift providing Bachelor of Technology in CSE, IT, ECE and EEE streams. The institute's vision is: To become one of the most admired centers of academic excellence in the field of Engineering & Technology for all-around professional development of students to enable them to meet the growing technological needs of the country. And the mission is: Developing new paradigm in imparting education in the fields of Engineering and Technology and to imbibe national values leading to student's empowerment, with a view to prepare them to meet the national and global challenges.

Sri Krishna College of Engineering and Technology

his new entrant to T-School survey, Sri Krishna College of Engineering scored well on key parameters. For instance, it stood at #5 in terms of placements, #8 in terms of industry interface

and #6 in terms of academic. Based out of Coimbatore, the scores posted by this college needs commendation as it is operating in a region which is highly competitive and has numerous other tech schools. Established in the year 1998 with a mission of imparting high-quality technical education to the aspiring students. This self-finance, autonomous institution is accredited by NAAC with 'A' Grade (with 3.42 CGPA out of 4) and National Board of Accreditation. In terms of placements, the institute saw top companies scouting of for its talent. Prominent companies like Amazon, Capgemini, Dell, et al has participated in the campus recruit drives. And the institute's placement cores amply evidences its clout in this parameter.

Ganeshi Lal Bajaj Institute of Technology & Management

nfrastructure and Placements were two high points for Ganeshi Lal Bajaj Institute of Technology & Management. The institutes strategy on placements revolves around by focusing on key skilling areas and providing guidance, counseling and bringing students and potential employers together to achieve the best possible placement depending on the market conditions. Its placement strategy is driven by a multi-pronged approach factoring in a whole lot of parameters leading to better placements. Its #6 score on placement is an ample testimony.

If we look at the genesis of this institute, GL Bajaj Institute of Technology & Management is the 6th Institute established under the banner of Rajeev Memorial Academic Welfare Society (Registered Under Societies Registration Act 1860). The institute is approved by All India Council for Technical Education (AICTE), Ministry of HRD, Govt. of India and Affiliated to Dr. A.P.J. Abdul Kalam Technical University (Formerly UPTU Lucknow).

Maharaja Agrasen Institute of Technology

aharaja Agrasen Institute of Technology scored well on infrastructure and that saw it retaining its 10th position in 2018 a well. The institute was established in 1999 by Maharaja Agrasen Technical Education Society and began its first batch of 180 B.Tech students in 1999 and at present, MAIT offers Bachelor's Degree in 5 disciplines of Engineering - Computer Science and Engineering (240 students intake), Electronics and Communication Engineering, Electrical and Electronics Engineering, Information Technology and Mechanical and Automation Engineering (180 students intake each), and Postgraduate degree in Master of Business Administration (180 students intake). The Institute is approved by All India Council for Technical Education and affiliated to Guru Gobind Singh Indraprastha University, Delhi.

MAIT's campus comprises 10 blocks including Admin Block with Wi-Fi connectivity, well equipped modern laboratories, an intellectually stocked learning resource center with books and E-Resources, Boys Hostel, Gym, and auditorium.

Shri Ram Institute of Technology	Jabalpur	Private	48	
Government Model Engineering College	Kochin	Government	49	
Malla Redy College of Engineering & Technology	Secunderabad	Private	50	
Prasad V.Potluri Siddhartha Institute of Technology	Vijayawada	Private	51	
RGM College of Engineering and Technology	Nandyal	Private	52	
SAGI Ramakrishnam Raju Engineering College	Bhimavaram	Private	53	
SJC Institues of Technology	Chickballapur	Private	54	
G H Patel College of Engineering & Technology	Vallabh Vidhyanagar	Private	55	
Panimalar Engineering College	Chennai	Private	56*	
Karnatak Law Society's Gogte Institute of Technology	Belagavi	Private	56*	
SCMS School of Engineering and Technology	Ernakulam	Private	57	
Trident Academy of Technology	Bhubaneshwar	Private	58*	
Gandhi Institute for Education and Technology	Khurda	Private	58*	
Institute of Aeronautical Engineering, Hyderabad	Hyderabad	Private	59	
IES College of Technology	Bhopal	Private	60*	
GEC Bhubaneshwar	Bhubaneshwar	Private	60*	
Technocrats Institute of Technology	Bhopal	Private	61	
LNCT Group of Colleges-Indore	Indore	Private	62	
Er.Perumal Manimekalai College of Engineering	Hosur	Private	63	
Cambridge Institute of Technology	Bangalore	Private	64	
DIT University	Dehradun	Private	65*	
K.Ramakrishnan College of Technology	Trichy	Private	65*	
CMR Institute of Technology	Hyderabad	Private	66	

INSTITUTE NAME	CITY	CATEGORY	OVERALL RANK 2018
CVR College of Engineering	Hyderabad	Private	67
Asia Pacific Institute of Information Technology SD India	Panipat	Private	68
Shri Shankaracharya Institute of Professional Management & Technology	Raipur	Private	69
D.K.T.E.Society's Textile & Engineering Institute	Ichalkaranji	Private	70
M.Kumarasamy College of Engineering	Karur	Government	71
Nandha Engineering College	Erode	Private	72*
CMR College of Engineering and Technology	Hyderabad	Private	72*
Babu Banarsi Das Institute of Technology	Ghaziabad	Private	73
Sri Venkateswara College of Engineering	Tirupati	Private	74*
Mahendra Engineering College (Autonomous)	Namakkal	Private	74*
MLR Institutes of Technology	Hyderabad	Private	75
Chandubhai S. Patel Institute of Technology	Changa, Anand	Private	76
V.S.B. Engineering College	Chennai	Private	76
Sagar Institute of Science and Technology	Bhopal	Private	77
Acropolis Institute of Technology& Research	Indore	Private	78
Sri Sairam College of Engineering	Bagalore	Private	79
Orissa Engineering College	Bhubaneswar	Private	80
Pranveer Singh Institute of Technology	Kanpur	Private	81
Sethu Institute of Technology	Virudhunagar	Private	82
Shri Ram Murti Smarak College of Engineering and Technology	Bareilly	Private	83
Faculty of Engineering, Teerthanker Mahaveer University	Moradabad	Private	84
M.S. Engineering College	Bengaluru	Private	85
Veltech High Tech Dr.Rangarajan Dr. Sankunthala Engineering College	Chennai	Private	86
Lords Institute of Engineering & Technology	Hyderabad	Private	87
Bract's Vishwakarma Institute of Information Technology	Pune	Private	88
Aditya College of Engineering & Technology	Surampalem	Private	89
Kanpur Institute of Technology	Kanpur	Private	90
Aditya Engineering College Autonomus	Surampalem	Private	91
Sagar Institute of Research & Technology, Bhopal	Bhopal	Private	92
Model Institute of Engineering and Technology	Jammu	Private	93
Sri Vasavi Institute of Engineering & Technology	Near Machillipatnam	Private	94
Aditya College of Engineering	Peddapuram	Private	95
Meerut Institute of Engineering & Technology	Meerut	Private	96
Chouksey Engineering College	Bilaspur	Private	97
Government College of Engineering, Karad	Karad	Government	98
KNS Institute of Technology	Bangalore	Private	99
Samrat Ashok Technological Institute(Engineering College), Vidisha	Vidisha (M.P)	Government	100

* These institutes share the same rank due to identical overall scores.

New Entrants: T-School 2018

INSTITUTE NAME	CITY	RANK 2018
C.V. Raman College of Engineering,Bhubaneswar	Bhubaneshwar	5
Chaitanya Bharathi Institute of Technology	Hyderabad	6
Sri Krishna College of Engineering and Technology	Coimbatore	8
Kasegaon Education Society's Rajarambapu Institute of Technology	Islampur	24
Vardhaman College of Engineering	Hyderabad	29
I.T.S Engineering College, Greater Noida	Greater Noida	30
Saveetha Engineering College	Chennai	32
Heritage Institute of Technology	Kolkata	33
Malla Redy College of Engineering & Technology	Secunderabad	35
